Final Details - Abbey Craig Event
14th Nov - 2pm-3pm

Parking in the public car park for the Wallace Monument.
Toilets are in the visitor center.
Meeting behind the visitor center on the start of the walking route up to the monumnet.

What to birng: pen/pencil (for an activity)
Weather looking cloudy and chilly so bring warm layers.

Risk assessment bits: Lots of tourists - be curtious, minibus tour shuttle bus going up and down road - be aware, big cliffs - shouldn't be near but still be careful.

Only one course this time, but should be a good adventure and some cracking views if the weather hold up. As ever there will be plenty well expericneced coaches to chat to and explain everything. First aid kit and first aider will be present at the start/finish.
